Easter time is one of Haven's Candies favorite holidays, when tens of thousands of chocolate bunnies make their way from Haven's candy production areas to the stores. There they join hundreds of other premium treats, ranging from baskets filled with Easter goodies, handcrafted cream-filled eggs, marshmallow peeps, jelly beans, novelties, and much more.

And don't forget, each year Haven's gives away a giant, 3 foot, 30 pound chocolate bunny with \$1,000 inside! The bunny with the money, named Herbert in honor of Haven's Candies founder, is on display at each Haven's store. There is no purchase necessary to enter. Just visit any Haven's Candies area location by April 6th.

Haven's Candies has been making premium handcrafted candies in Maine, in the tradition of the master candy maker, since 1915. Visit Haven's on the web at havenscandies.com.
